STATINTL

1. The OWI Career Service Panel (CSP) considered [REDACTED] for promotion to GS-10 at its January 1977 meeting. The panel considers [REDACTED] a high performer and ranks very high among other OWI GS-09's. However, his time-in-grade is somewhat short in comparison with other high performers in his peer group. Therefore, the Panel has recommended, and I agree, that [REDACTED] should not be promoted at this time.

STATINTL

2. We will be pleased to reconsider a promotion action sometime in the near future if his performance continues at the level indicated in your promotion recommendation of 15 December 1976.
